## **2018 Shotgun Tournaments**

A **shotgun tournament** is when all golfers, a maximum of 144 people, tee-off on every single hole on the golf course. When there is less than a full field of players the tournament will start from hole # 18 backwards with two groups on every hole for a **Modified shotgun**. This enables golfers to finish their game around the same time & then everyone can enjoy dinner together afterwards.

A **cross-over tournament** is when tee-times are scheduled on the 1<sup>st</sup> tee and the 10<sup>th</sup> tee of the golf course. This enables 2 foursomes to tee off at the same time and cross-over after 9-holes of play to enable the tournament to finish their golf round closer together as a group.

**[All Shotguns/modified shotguns and crossovers are required to book a lunch or dinner package](#)**

### **Included in Shotgun Tournaments:**

- Registration table for check-in
- Millcroft staff will place any sponsor signs on the course and collect them afterwards
- Closest to the pin and longest drive markers provided

**Speed of Play Speed of Play**

Course marshals will be monitoring the speed of play of golfers to ensure a fun and enjoyable round of golf for everyone. This is of great importance for keeping all of our customers satisfied. The course marshals have the right to ask a slow group to speed up or following slow play warnings will ask the group to pick up their golf balls and catch up to the group ahead. All tournaments over 30 golfers must play scramble format. Scramble format is played when all golfers hit their own golf ball. The group will then collectively decide which of all the golfers' shots was most advantageous to their golf game, and then they will all proceed to this (1) agreed location and then each golfer will shoot their ball from this same location. And so on, until they have collectively sunk their ball into the hole.

**Rentals**

Each golfer must have their own set of clubs, rentals are available in the pro shop for a fee, please call ahead to reserve.

**Rules Regarding Adjacent Homes**

Golfers are solely responsible for any damage to houses caused by golf balls. Please respect the safety and privacy of our homeowners by shouting "Fore" when errant shots are in the direction of homes. Please do not Trespass, golf balls in backyards become the property of the homeowners
