

Gentlemen,

This came in late.

The Club championship will be held over three days and is a very competitive event. This event is organized by the club although the Wednesday league has a financial contribution through our members hence the lower entry fee.

The entry Sheet is located in the men's Locker Room so please make sure you sign up. If you cannot get to the sign-up sheet then either contact me or one of your colleagues to put you in.

The competition is divided into 4 grades dependant on entries and is usually well supported. Scores are based on your **Aggregate Gross Score**.

The Entry Sheet is located I

Dates are:

- Round 1 Wednesday 8 August 2018 times to be advised
- Round 2 Saturday 11 August 2018 – times dependent upon how you performed on Wednesday
- Round 3 Sunday 12 August 2018- times on the basis of where you stand in the competition.

Entry Fees are \$30 for Wednesday league members / \$40 for Senior League members / \$50 for other non-League Members. Entry is payable at check in. You have to play the three rounds in order to be in contention.

This I usually a great event for our Club golfers. The last day is the highlight and we encourage you to bring family and friends to cheer you on for the last hole or follow you around the course as your support group. But please make sure that you adhere to the games etiquette no booing your opposition or trash talking

Caddies are permitted for those who wish to bring one.

Omission

In my last email I omitted to acknowledge a low gross score. Andrew Shenton scored a Gross #75 on Wednesday.

Let's make this event one of the highlight of the year's golf.

Kind Regards
Julian Bugledich
Men's Captain
