

Club Storage Rules

All Bags Must be able to stand up. Either easily on their own or via a fold out stand.

All pockets are to be zipped up and closed by the golfer.

All clubs must be inside the bag. Clipped clubs must be placed inside when stored.

Maximum of (12) golf balls inside the bag.

Please keep extra golf items to a minimum as the bags can get quite heavy and this places a strain on our staff members who carry the bags up and down the stairs.

Thank you for your cooperation.
