**Burlington names Millcroft Golf Club the area's best golf course**

Open since 1987, Millcroft Golf Club's 18-hole course, just under 6000 yards, is a par 70 target course with 96 bunkers & water coming into play on 12 of the 18 holes. The course is maintained to high standards & we pride ourselves on being one of the best-conditioned & well-manicured courses in the area. The Burlington Post's Reader's Choice Awards named us "**Burlington's Best Golf Course**" for the last seven years running!

Designed influenced by Thomas McBroom & Associates, the creative figure eight layout, with the Clubhouse in the middle, provides golfers with no parallel fairways. Enjoy a well paced round of golf knowing the course is staffed with starters & rangers, 7 days a week, and our flat landscape allows golfers to walk or ride. Millcroft Golf Club is a pleasure to play for golfers of all skill levels, with the challenge placed on accuracy & course management.

The Club welcomes both Members and Public Golfers. We offer a variety of affordable adult & junior memberships, with no initiation. Our Memberships allow you to participate in our men's, ladies & couple leagues which are a great way to meet people & share the love of the game. For our public golfers, we offer 10 days advance booking and golfers will find it convenient to know that they are able to book a tee time 7 days a week, 24 hrs. a day on the Internet via our website.

The Clubhouse also offers fully stocked men's & ladies lockerooms, a fully equipped private meeting room & our professionally staffed & stocked pro shop, open 7 days a week, ready to assist you with your apparel & equipment or perhaps a gift certificate. The dining room offers a relaxed setting to enjoy the views of our 18<sup>th</sup> hole. Whether you are golfing or just stopping by, everyone is always welcome in the dining room and our menu offered is sure to satisfy everyone in attendance. We look forward to your visit with us!
